## Animals in the Park

It is a fine day.

This is a beautiful park. I can see a tree, a pink slide, a yellow see-saw and a brown bench there.

I can see some mini animals too. They are on the yellow see-saw. I can see a yellow bird. It is under the pink slide. I can see a yellow bee. It is in the blue sky. They say 'good morning' to each other.

The animals like the beautiful park. They are happy.

*Teacher's comment: It's great, Karen! Your handwriting is neat and tidy!*

*You can use proper adjectives to describe the things and animals in the park. This is a good piece of writing! Well done!*
