My last Birthday

I celebrated my birthday on the the twenty-ninth of June, I celebrated my birthday with my family and my friends.

I had a birthday party at the clubhouse. We had a lot of food. I ate sour lemon ice cream, sweet jelly, sour candy, tasty popcorn, chicken nuggets and steak. I drank yummy fruit tea, sweet milkshake. I drank lemon coke and iced lemon tea.

I had some birthday gifts. I got a pretty doll, cute teddy bear, pretty dress and lucky money. I shred my toys with others. They were very happy.

I was glad because I got a lot of gifts and I enjoyed the tasty food.

Teacher's comment: A good piece of work! Good use of adjectives. The ideas are clear and coherent.
