A Diary

Saturday 15th June

Weather: Rainy

Today was Saturday. I woke up at seven o'clock in the morning. I brushed my teeth and had breakfast at seven thirty. Then, I started to do my homework at eight o'clock.

In the afternoon, I finished my homework so I had lunch at twelve o'clock. After lunch, I chatted with my brother until two o'clock. Then I read comics. The comics were good and funny!

In the evening, I had dinner at six o'clock. The food was yummy. Then, I played computer games. I liked them! I watched TV with my family too. It was interesting.

Today I played with my family so I felt happy. I want to have a happy day with my family tomorrow.

Teacher's comment: Good work! Good use of cohesive devices and past tense. The ideas are clear.
